Exclusive Importer & Distributor

HAVAL H6
sport

We have faith,
Hold fast to it.
With Haval H6 Sport,
We challenge the future with new vision and conquer the unknown with infinite courage.

We advocate technology, And hold fast to it.
We create a relaxing and pleasant artistic atmosphere with humanized technology. From interior texture selection to equipment function design, from aesthetic design to practical function application, Haval H6 Sport reflects the charm of technology and wisdom of designers in every detail.

Display unique temperament

- ① Fashionable Wheel Hub: It features simple and fashionable modeling and rich sporting style.
- ② Luggage Racks: The matt aluminum luggage racks in sporting modeling features simple modeling and high fashion and beauty.
- ③ Fashionable combination headlamp: The xenon headlamp with automatic cleaning function features fashionable and technologic modeling, extensive illumination scope, and high illumination intensity. The LED daytime running lamp features delicacy and energy-saving and enhances the daytime driving safety.
- ④ Courtesy Pedal: HAVAL's exclusive design with red backlight features warmth and fashion.
- ⑤ Shark Fin Antenna: Featuring convenience and practicability, its unique modeling realizes a smoother and more dynamic exterior.

Explore infinite fun

- ① Cruise Control System: Running on superhighway in cruise control mode can effectively set drivers' leg free, which renders easier driving and lowers fuel consumption.
- ② Push-to-Start System: Your passionate journey only requires one push of a button to start, omitting the fussy traditional start system.
- ③ Body Side Molding: The matt design realizes a more beautiful body and effectively prevents scratches to the body paint.
- ④ Electroplated Door Handles: The design in body color enhances the delicate and sporting body side modeling.

Allow full rein to the nature of sport

*Display art in details,
Taste in elegance, sublime grade in wisdom.*

Be the master of technology and serve life with it

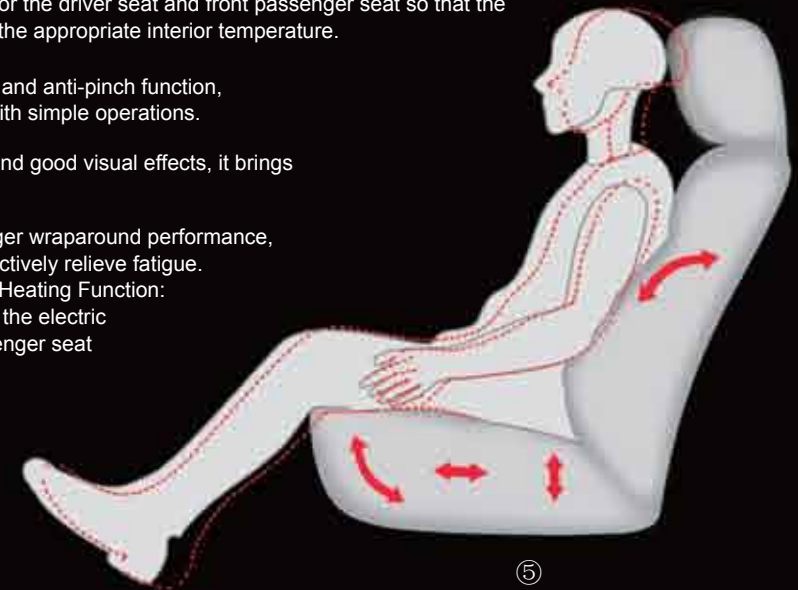

- ① TPMS: It pre-warns in case of hazard of the tyre by real-time monitoring so as to substantially increase the safety factor.
- ② All-Round Airbags: The configuration of 6-airbag (front dual airbag + front dual side airbag + integrated side curtain airbag) guarantees the safety of driver/front passenger in all directions.
- ③ Multi-Functional Rearview Mirror: It integrates the LED turn signal lamps, courtesy lamps, anti-dazzle blue mirror function, and electric folding function, featuring luxuriousness and intelligence.
- ④ Reversing Sensor + Reversing Camera + Visual Display on Dead Zone of Right Front Wheel: The perfect combination of reversing sensor and reversing camera provides you with accurate reversing information. The scene of the right front wheel zone, filmed by the lower camera of the right rearview mirror, enables the driver to clearly recognize the situation of the driving dead zone, which greatly enhances safety.
- ⑤ Automatic Anti-Dazzle Rearview Mirror: Depending on the intensity of the illumination from the vehicle behind, the interior rearview mirror automatically adjusts the medium or heavy anti-dazzle mode to avoid the intense light interference and ensure higher driving safety.
- ⑥ ESP (Electronic Stability Program): Make sure vehicle is safely running on the correct track, prevent vehicle skid and improve running stability and safety.

We say 'No' to mediocrity and enjoy life within sporting

- ① Multi-Functional Leather Steering Wheel: It integrates the functions, including Bluetooth control, cruise control, and audio control, featuring stronger driving entertainment and higher driving safety.
- ② Automatic Two-Zone Air Conditioning System: The real-time automatic constant temperature control realizes the zone temperature regulation for the driver seat and front passenger seat so that the passengers at different positions can feel the appropriate interior temperature.
- ③ Intelligent Sunroof: With one-touch switch and anti-pinch function, it enables you to easily enjoy the nature with simple operations.
- ④ 8" Display Screen: With easy operations and good visual effects, it brings unlimited pleasure to your journey.
- ⑤ Luxury Seats: Outstanding comfort, stronger wraparound performance, and better waist support performance effectively relieve fatigue.
8-Direction Adjustable Seats with Electric Heating Function: The 8-direction adjustable driver seat and the electric heating function for driver seat/front passenger seat feature practicability and comfort.
Front-row Active Headrest: Front-row headrest can trigger neck protection system in case of vehicle collision to provide efficient support to the head and reduce cervical spinal injury.

Enjoy your world freely
